

Royal Baking Powder

ABSOLUTELY PURE

DISTINCTIVELY A CREAM OF TARTAR BAKING POWDER

It does not contain an atom of phosphoric acid (which is the product of bones digested in sulphuric acid) or of alum (which is one-third sulphuric acid), unhealthy substances adopted for other baking powders because of their cheapness.

OCALA CAN DO THE WORK

About three weeks ago he had the misfortune to break part of our engine and supposed it could not be replaced this side of Jacksonville where the manufacturers have a warehouse. But we were mistaken. After about half a dozen telegrams to Jacksonville, and as many letters, it occurred to us to try the gas engine works at Ocala.

The result was that we got the necessary repairs made in half a day and the engine is running as good as ever. This might be useful information to those who have engines.—Sumterville Times.

MRS. HATCHELL ENTERTAINS

Mrs. J. B. Hiers of Jacksonville was the guest of honor last afternoon at a very elegant and delightful reception given at the Ocala House by Mrs. M. H. Hatchell and her charming daughter, Miss Grace Hatchell. Mrs. Hiers was Miss Claude Waterman and was reared in this city. She numbers her friends here by the number of her acquaintances. Last afternoon she was lovely in a light blue liberty silk with a deep bertha of real lace. She carried a large bouquet of exquisite pink roses. Mrs. Hatchell wore a handsome black net over taffeta. Miss Grace was very sweet and girlish in her white lingerie dress with pink ribbons and pink carnations. The color scheme was pink and white. Receiving with the hostess and honor guest were Mrs. James McCullum of Gainesville, Fla., Mrs. Guy D. Ayer of Atlanta, Ga., Mrs. W. V. Newsom and Mrs. Mallory Liddon of this city.

In the reception hall the guests were welcomed by Mrs. E. L. Carney, Mrs. B. J. Potter and Mrs. F. E. Harris. In the rear of the hall delicious fruit punch was served by Mrs. L. J. Knight and Mrs. W. W. Stripling.

Assisting in the other rooms were Mrs. S. E. Waterman, Mrs. W. A. Hocker, Mrs. Lee Miller, Mrs. Fred Blalock, Mrs. Sam Rawls, Miss Valeta Potter and Miss Sara Harris.

This was a souvenir party and the interesting game of "42" was played for some time by the hundred ladies fortunate enough to be present.

During the afternoon Miss Ethel Haycraft played prettily on the piano. After the games the hostesses, assisted by Misses Alice Bullock, Louise Harris, Edna Dozier, Minnie Stovall, Elizabeth Newsom and Frances Liddon, served dainty and tempting refreshments, the color scheme being carried out in the cake and cream. The color scheme was also evidenced in the beautiful pink roses and white carnations in cut glass vases which were tastily used in the decorations.

This reception was a great success and those present are indebted to Mrs. Hatchell and Miss Grace for an afternoon of much pleasure.

Following are the names of the guests who were present:

Mrs. M. Hatchell Mrs. J. B. Hiers, Mrs. Guy Ayer, Mrs. J. McCullum, Mrs. M. Liddon, Mrs. W. V. Newsom, Mrs. S. A. Rawls, Mrs. W. A. Hocker, Mrs. E. L. Carney, Mrs. Mote, Mrs. L. W. Duval, Mrs. W. A. THE BARACA ENTERTAINMENT

The Baraca class of the Baptist church gave under the auspices of the First Baptist church at the armory last night one of the best plays with local talent that was ever given in the city among the younger set. There was a good musical program for the first part which was much appreciated. It was followed by a laughable farce entitled "The Great Kidnapping and reach of Promise Case."

Each and every member of the play did his part well and from start to finish the audience was kept highly amused and interested. The attendance was good, almost every seat in the armory being taken. The play and advertisements on the program netted the boys a neat sum which will be used for church purposes. Much hard work and infinite pains and many hours of their evening time was put in on rehearsing the play to make it the success it was, and the young men of the Baraca class deserve a great deal of praise for their efforts.

A COSTLY WRECK

Engineer Hopkins Seriously Burned. Fireman Injured

Thursday morning a freight train was approaching Trilby from the south with Engineer Hopkins, of this place, at the throttle. A pile of cord wood some 500 feet long was on fire, and the engineer put on all speed to make a dash through the flames. The heat from the fire had warped the rails and the engine left the track and plowed through the wood fire. Six cars also left the track. One was a car of oranges, two cars of steel rails, and three cars loaded with merchandise. The engine was turned over, and it and the cars were reduced to a pile of scrap iron. The loss is total.

Engineer Hopkins jumped right into the wood fire and then crept through the seething mass of live coals to a space without the zone of heat, where he was found by the conductor unconscious. He was taken to Trilby and will be sent to the railroad hospital at Waycross. He is seriously burned and otherwise injured. The fireman was injured by jumping. A track has been built around the wreck.—St. Petersburg Independent.
